### CLINICAL & FORENSIC EXPERIENCE:

- 2017-present **Reunification Therapist**, Reunification therapy is a specialized form of family therapy that is court-ordered with the purpose of reuniting parents and children and repairing a damaged parent-child relationship. It is usually done in the context of high-conflict divorce and often requires updates to the court/legal counsel regarding treatment progress.
- 2016-present **Co-Parent Divorce Coaching**, for co-parents together or individually with low to mid level conflict in their co-parenting relationship. Much like a parenting coordinator, my role includes educating co-parents, helping with the development/implementation of plans, providing resources, assisting with conflict resolution, and improving communication without the requirement of a court-order.
